### SUMMARIES

Notable filings From June 24 to 28, notable shareholding changes in companies listed on Bursa Malaysia included those at CPE Technology Bhd (KL:CPETECH), which saw Oslo-based Norges Bank cease to be its substantial shareholder. Norges Bank sold 3.2 million shares in the engineering support service provider, reducing its stake to below the 5% threshold for substantial shareholding. The bank had emerged as a substantial shareholder of CPE Technology in mid-April with 36.
