## Langkawi charity event to be bigger and better

THE second edition of the Langkawi Amateur Golf Invitational, a tournament designed with charity in mind, is set to be bigger and better when it's held at Els Club Teluk Datai next month.

The three-day, two-night event, scheduled for Aug 14 to 16, this year includes a Bulls Eye novelty contest that will reward the winner with a golf stay in the Admiral Suite at Ramada by Wyndham Langkawi Marina and a sunset cruise on the waters of the Andaman Sea for six.

Rob Tan of Hospitality 360, the tournament's organisers, said there are again great prizes to be won at the tournament, especially for a hole-in-one.

"There are two cars on offer for hole-in-ones," said Tan.

"We have a Perodua Aruz and a Perodua Axia, generously sponsored by Delta World.

"Also, on offer will be a tailored suit worth RM8,000 sponsored by Bon Zainal, a Titoni timepiece worth RM15,000 and a stay voucher for Anantara Desaru Coast sponsored by the Johor Golf Association."

The event will be played with a Stableford format, with one's handicap of the day determining who wins. It is open to all amateur golfers, men and women, with a valid handicap.

Tan said a donation would again be made at the dinner and prize presentation on behalf of Ramada By Wyndham Langkawi Marina Hotel to the Langkawi Autism Care Centre.

He added that besides the golf, there was a full line-up of activities and catering for the golfers and non-golfers, including a welcome poolside BBQ dinner, along with round-trip airport transfers to the hotel and Els Club Teluk Datai, goodie bags, door gifts and lucky draws.

For more information on the three-day, two-night charity golf fundraiser call 019-3562355 or book at golfti.com.
