# Plans afoot for Langkawi charity tournament

THE Langkawi Amateur Golf Invitational, a three-day/two-night charity event, is set to take place at Els Club Teluk Datai from Aug 27 to 29.

The annual tournament, which raises funds for the Langkawi Autism Care Centre and is now in its third year, promises much fun and entertainment in one of Malaysia's most popular tourist destinations.

Played with a Stableford format and open to all amateurs – local and foreign – with valid handicaps, the invitational tournament includes a Bulls Eye novelty contest that will handsomely reward the winner with one of several attractive prizes on offer.

Rob Tan of Hospitality 360, the tournament's organisers, said: "There are many great prizes to be won at the tournament, including a Bulls Eye novelty contest that rewards the winner with a golf stay at Ramada by Wyndham Langkawi Marina and a sunset cruise on the waters of the Andaman Sea, and two Perodua cars – an Aruz and an Axia – generously sponsored by Delta World.

"Among the other prizes will be the popular stay-and-play vouchers, which allow for players to stay – inclusive of airport transfers – and play the Els Club Teluk Datai," said Tan.

Tan added that a donation would again be made at the dinner and prize presentation on behalf of Ramada By Wyndham Langkawi Marina Hotel to the Langkawi Autism Care Centre.

He said that besides the golf, there was a full line-up of activities and entertainment for the golfers and non-golfers, including a welcome poolside BBQ dinner, and that the package included round-trip airport transfers to the hotel and golf club, goodie bags, door gifts, lucky draws, and a practice round at the Els Club Teluk Datai.

For more information on the three-day, two-night charity golf fundraiser, call 019-3562355 or book at [golfti.com](http://golfti.com).
