"The GoASEAN BizMatch successfully brought together Malaysian companies with buyers and industry stakeholders from across ASEAN, Asia, Europe, and Latin America, catalysing promising strategic partnerships across a broad spectrum of industries.

"Key sectors represented included Aerospace and Drones, Electrical and Electronics, Oil and Gas, Medical Devices, Biotechnology, Halal Technology and Smart Agriculture, Green Economy, Mobility, Lifestyle and Life Sciences, and Food and Beverages," MATRADE said in a statement.

"As the strategic partner for the business matching component, MATRADE continues to demonstrate leadership in facilitating structured sourcing platforms that deliver tangible outcomes and catalyse trade growth across multiple sectors, empowering Malaysian small and medium enterprises (SMEs) to expand their global footprint.

"Building on this success, SME Corp Malaysia and MATRADE will continue to strengthen their collaboration to ensure Malaysian SMEs gain sustained access to new markets and opportunities across ASEAN and beyond," added MATRADE. -Bernama
