## Tax ID number search is ready

PUTRAJAYA: The Inland Revenue Board (LHDN) has provided a Tax Identification Number (TIN) search service for taxation activities provided under the Income Tax Act (ITA). According to LHDN, this is in line with the announcement by the government under Budget 2025.

The TIN search platform can be accessed today through the MyTax Portal at <https://mytax.hasil.gov.my>.

In a statement, LHDN said that individual taxpayers can do the TIN search by entering their identity card number or passport number, while taxpayers in other categories, can search by entering their Business Registration Number (BRN) or their names.

To facilitate the implementation of e-Invoices, the TIN search function is also provided through the MyInvois portal, and MyInvois Application Programming Interface (API).

According to the Bernama report, more information on the TIN search function via API is available via the MyInvois Software Development Kit (SDK).

To support the use of MyDigital ID, LHDN said the TIN search access is also provided on the MyTax portal by using MyDigital ID identity verification. – The Star
